Whoa! Whoa!

G C2  
Everything's broken, this world's turned upside down

Em7 D/F# C2  
It wasn't meant to be this way

G C2  
We all have fallen, but sin cannot keep us down

Em7 D/F# C2  
Our God has raised us from the grave

Am7 G/B C2 Dsus  
Our God has raised us from the grave

G C2  
**Now is our time to shine, (whoa!) we've got one shot at life**

Em7 D/F# C2

**Our God has made us light and said, "Go shine!"**

G C2  
**We've got one chance to love (whoa!) like God's shown us through His Son**

Em7 D/F# C2

**Our Savior died so we could be alive**

G

**We're alive to shine!**

Our God has spoken, He says we cannot hide  
His radiant love inside of us  
So let's live life open and let Christ be glorified  
Let's tell this world what He has done  
Let's tell this world what He has done
