 D A G D
The Lord is my Shepherd, I shall not want
 D A G D
He makes me to lie down with peace in my heart
 D A G D
He leads me by waters as still as His hand
 D A G D
Gentle and just, oh His goodness has no end

 G D
Oh, Good Shepherd, lead me on
 G Bm A
Oh, Good Shepherd, take me into Your arms
 G Bm
And deliver me from valleys of death
 G A D
Restore my soul, lead me into Your rest

The Lord is my Shepherd and I am His own
For the sake of His Name, He is leading me home
Goodness and love, they will follow me
And I will dwell in His presence, oh for all eternity

 D A G D
You have anointed my head with oil
 D A G D
And my cup, it overflows
