### CHAPTER SEVENTEEN: A Little Bit of Starbucks Goes A Long Way

#### DISCUSSION QUESTIONS:

1. Hebrews 3:13 says, “encourage one another daily, as long as it is called “Today,” so that none of you may be hardened by sin’s deceitfulness.” What do you think is the connection between a lack of encouragement and sin’s deceitfulness?
2. Have you ever been encouraged by someone on the worship team in a super meaningful way? If so, can you explain the situation and how the encouragement made you feel?
3. Have you ever been encouraged by someone in a way that did not seem genuine or authentic? If so, can you explain the situation and how the half-hearted encouragement made you feel?
4. Do you agree that worship team members should never need to be encouraged, and that having the privilege of leading God’s people into an awareness of His presence and glory should be more than enough satisfaction? Why or why not?
5. How would you personally feel the most loved and blessed by someone who was trying to encourage you? Did any of the suggestions from this chapter resonate with you? Can you think of any other, better ways to encourage one another?
