2. Would you say that your “Master Song List” has too many songs, too few songs, or just the right amount of songs?
3. Do you think it is fair and helpful to label some songs as “Great” and some songs as just “Good”? Why or why not?
4. What do you think about the idea of pruning the Master Song List and creating Seasonal Song Lists to pull from each season?
5. Why do you think it is so important to remember that the congregation is full of non-musicians? How should that reminder play into your song selection from week to week?
