

# Great Things You Have Done

by Jeff Polen

G C2  
I don't know how long I will travel  
Em7 C2  
Taking these trips around the sun  
G C2  
But I know as long as I am able  
Em7 D/F# C2  
I will make the best of each one  
D4  
And each day You wake me up  
C  
Is a day I'll lift You up

G C2  
**If these lungs keep breathing by Your grace**  
Em7 C2  
**Then this tongue will keep pouring out Your praise**  
G C2  
**If this blood keeps beating through my veins**  
Em7  
**I will worship You, my God**  
C2 G  
**Oh the great things You have done for me**

G C2  
We are standing on the shoulders  
Em7 C2  
Of the giants who've gone before us  
G C2  
So many heroes of our faith  
Em7 C2  
Pointed us to Jesus Christ, to the very source of life  
D4  
So I will walk where they have walked  
C  
Knowing that You walk with us
